In 1955, Walt Disney introduced a new form of family entertainment to the world — the theme park — taking guests on adventures into stories of fantasy and discovery. In 2005, Walt Disney Parks and Resorts launched an entirely new kind of family-vacation concept: *Adventures by Disney*. These guided group vacations take families to some of the most sought-after destinations in the world, delivering unmatched guest service by trained adventure guides and local experts, uncompromising attention to detail, and a bit of Disney magic every step of the way.

Adventures by Disney offers itineraries to some of the most beautiful places on the planet including China, Australia, South Africa, Peru, England and France, as well as North American adventures in Alaska, the Canadian Rockies and more. *Adventures by Disney* is a leader in guided group family vacation experiences, in part due to the hassle-free

The 10-day, 9-night Seine river cruise vacation combines two days exploring Paris on land, followed by eight days of cruising to picturesque French destinations such as Conflans, Vernon and more.

Also new for 2019 are first-ever vacations to Japan. On this 11-day, 10-night itinerary, travelers will experience the captivating culture and rich diversity of Japan during a brand-new itinerary, with expeditions ranging from ancient locales steeped in tradition to fast-paced modern cities.

Adventures by Disney also recently announced three new short escape itineraries. In 2019, travelers can journey to unforgettable locales such as London, Boston and Vancouver, Canada, all while enjoying renowned Disney service and storytelling. The London and Vancouver adventures can be booked as stand-alone vacations or combined with Disney Cruise Line sailings for the ultimate land and sea adventure.

COMMUNITY INVOLVEMENT

Disney VolunTEARS have been giving back to their communities by visiting schools and reading with students, participating in gift-wrapping projects to aid local charities, caring for trees in neighborhood parks, and organizing efforts to provide children in need with backpacks and school supplies. Select *Adventures by Disney* itineraries to Southeast Asia include a visit to a school for disabled children, where *Adventures by Disney* donates school supplies, including drawing materials.
