When Walt Disney opened Disneyland in Anaheim, Calif., on July 17, 1955, he created a unique destination built around storytelling and immersive experiences, ushering in a new era of family entertainment. More than sixty years later, Walt Disney Parks and Resorts (WDPR) has grown into one of the world's leading providers of family travel and leisure experiences, giving millions of guests each year the chance to spend time with their families and friends, making memories that last a lifetime.

Six world-class vacation destinations with 12 theme parks and 51 resorts are at the heart of WDPR, operating in North America, Europe and Asia. WDPR also includes Disney Cruise Line, with four ships and plans for two more to be completed in 2021 and 2023; Disney Vacation Club, with more than 220,000 member families; Adventures by Disney, which provides guided family vacation experiences to destinations around the globe; Aulani, A Disney Resort & Spa, in Ko Olina, Hawaii; and Walt Disney Imagineering, which designs and creates Disney parks, resorts, cruise ships, attractions and entertainment.

EXCITING NEW DEVELOPMENTS

Every WDPR experience shares a commitment to excellence in quality, storytelling and guest service that has been a hallmark for our organization since the beginning, and we continue that commitment as we expand our business around the world. Walt Disney once said, “Disneyland will never be completed. It will continue to grow as long as there is imagination left in the world.” Building on that spirit, WDPR has a multitude of exciting new experiences that have recently opened or are now underway around the world.

Work continues on two 14-acre Star Wars-themed lands coming to **Disneyland Resort** and **Walt Disney World Resort** in 2019. These represent the largest single themed land expansions ever, transporting guests to a jaw-dropping new world with two signature attractions and new experiences for all ages.

At **Walt Disney World Resort**, the awe-inspiring land of floating mountains, bioluminescent rainforests and soaring Banshees will become real for guests inside Pandora – The World of AVATAR at Disney’s Animal Kingdom. In addition, Disney Springs has doubled the number of shops, restaurants and other venues for guests to explore.

Tokyo Disney Resort has announced a Tokyo Disneyland development which will include a new Beauty and the Beast-inspired area in Fantasyland and a new Big Hero 6-themed attraction in Tomorrowland. CITIZENSHIP

At WDPR, we are committed to honoring the magic and legacy of Disney Parks by operating responsibly, inspiring happiness and making a positive impact on the world.

Delivering experiences that bring families together is at the heart of everything we do, including our Disney Citizenship efforts. Through our unifying philosophy Better Together, we have a unique opportunity to support the success of children and families. We design powerful together time in programs that strengthen communities, conserve nature, promote healthy living and encourage creativity. Ultimately, our goal is to enrich children and families through shared experiences that nurture, inspire and empower them, creating a brighter world.

Every year, we continue Walt Disney’s commitment to philanthropy and outreach. Through contributions, collaborations with local organizations, in-kind gifts and cast member volunteerism, we are proud to help enrich the global communities where we live, work, and play.

THE ENVIRONMENT

Our commitment to environmental stewardship and conservation always has been an important part of our business. We embed environmental thinking into our daily decisions – from using alternative fuels to powering our attractions to installing more efficient lighting in our hotels. We minimize waste through recycling, reuse and repurposing. We find creative ways to conserve energy and water. With a strong focus on protecting ecosystems, we aim to safeguard wildlife. We are also inspiring the next generation of environmental stewards through our efforts to connect kids with nature.
